Precision Optics Corporation, Inc. to Present at the LD Micro Main Event

GARDNER, MA, November 24, 2015. Precision Optics Corporation, Inc. (OTCQB: PEYE) (the “Company”) today announced that it will be presenting at the 8th annual LD Micro Main Event on Thursday, December 3, 2015. CEO Joseph N. Forkey, PhD., will be giving the presentation and meeting with investors. To obtain information on the December 1 through December 3, 2015 Main Event conference, visit the LD Micro website at www.ldmicro.com.

The conference will be held at the Luxe Sunset Bel Air Hotel in Los Angeles, California, and will feature over 200 companies in the small / micro-cap space. LD Micro is a non-registered investment advisor and an internet based financial newsletter that provides self-directed investors with information on selected public companies.

About Precision Optics Corporation

Since 1982 Precision Optics Corporation has been a leading developer and manufacturer of advanced optical instruments. The Company has developed state of the art visualization and illumination technologies for high-quality camera systems incorporating fiber optics, CMOS sensors, and the Company’s Microprecision™ micro-optics designed specifically by the Company for medical device endoscope applications and defense and industrial products. With dimensions of 1 mm and smaller, these low cost visualization systems have superior image quality and are well suited for re-usable and single use medical device instruments used in minimally invasive medical procedures currently being performed or which are enabled by these unique characteristics. The Company designs and manufactures micro optic lenses and prisms, components and complete devices for its customers, and offers a proprietary and innovative medical instrumentation line including Lenslock™ laparoscopes, arthroscopes, and sinusscopes, as well as endocouplers and a world-class product line of 3D endoscopes. The Company’s website is www.poci.com. Investors can find Real-Time quotes and market information for the Company on www.otcm Markets.com/stock/PEYE/quote.
