Participants may dial into the following number to access the call: 1-866-652-5200 or 1-412-317-6060. Please ask to be joined into the Precision Optics call. A replay of the call can be accessed at 1-877-344-7529 or 1-412-317-0088 and passcode: 10060898.

About Precision Optics Corporation

Precision Optics Corporation has been a leading developer and manufacturer of advanced optical instruments since 1982. Using proprietary optical technologies, the Company designs and produces next generation medical instruments, Microprecision™ micro-optics with characteristic dimensions less than 1 millimeter, and other advanced optical systems for a broad range of customers including some of the largest world-wide medical device companies. The Company's innovative medical instrumentation line includes state-of-the-art endoscopes and endocouplers as well as custom illumination and imaging products for use in minimally invasive surgical procedures. The Company believes that current advances in its proprietary micro-optics and 3D imaging technologies present significant opportunities for expanding applications to numerous potential medical products and procedures. The Company's website is www.poci.com. Investors can find Real-Time Quotes and market information for the Company on www.otcm Markets.com/stock/PEYE/quote.
