**Precision Optics Corporation Schedules Second Quarter Conference Call**

GARDNER, MA-- (February 7, 2016) - Precision Optics Corporation, Inc. (OTCQB: PEYE) (the "Company") announced that it intends to release its financial results for the fiscal 2017 second quarter ended December 31, 2016 after market trading ends on Tuesday, February 14, 2017.

Management has scheduled a conference call for 5:00 p.m. ET on Tuesday, February 14th to review the Company's financial results and future outlook. Participants may dial into the following number to access the call: 1-844-826-3042 or international callers using 1-412-317-5187. Please ask to be joined into the Precision Optics conference call. A replay of the call can be accessed at 1-877-344-7529 or 1-412-317-0088 and passcode: 10101395 until February 28, 2017.

**About Precision Optics Corporation**

Precision Optics Corporation has been a leading developer and manufacturer of advanced optical instruments since 1982. Using proprietary optical technologies, the Company designs and produces next generation medical instruments, Microprecision™ micro-optics with characteristic dimensions less than 1 millimeter, and other advanced optical systems for a broad range of customers including some of the largest world-wide medical device companies. The Company's innovative medical instrumentation line includes state-of-the-art endoscopes and endocouplers as well as custom illumination and imaging products for use in minimally invasive surgical procedures. The Company believes that current advances in its proprietary micro-optics and 3D imaging technologies present significant opportunities for expanding applications to numerous potential medical products and procedures.
